

Conversation *with* Professor Ngo Bao Chau (2010 Fields Medallist)

(on the occasion of the Oppenheim Lecture)

Date & Time: Thursday 29 January, 3.00pm to 5.00pm

Venue: Department of Mathematics
Block S17, Seminar Room 1 (#04-06)

Who should participate: students who are interested in mathematics and mathematical research.

About the distinguished guest

Professor Ngo Bao Chau is the Francis and Rose Yuen Distinguished Service Professor, of the University of Chicago, and the director of the Vietnam Institute for Advanced Study in Mathematics.

Professor Ngo is best known for proving the fundamental lemma in the Langlands programme, which was selected by the Time magazine as one of the Top Ten Scientific Discoveries of 2009. He was awarded the Fields medal in the International Congress of Mathematicians 2010, held in India.
